WORK EXPERIENCE

York Electric Cooperative

York, South Carolina

Student Representative

May 2017-May 2018

- As a representative for York Electric, I campaigned for the company and their scholarship program within my school and educated my region's residents on the environmental and economic benefits of joining York Electric Cooperative
- My campaigning contributed to a significant increase in participants in the company's environmental/economic initiative, "Beat the Peak"

Kochi Steakhouse

York, South Carolina

Cashier/Waitress

May-August 2018

- In addition to managing company transactions, I was expected to uphold company standards of customer relations and service, as well as the up-sale of new products and promotions

LEADERSHIP

Student Government

Clover, South Carolina

Class Representative

January 2016-May 2018

- The duties I held as class representative were to implement policies and social events that were in the best interest of my peers and the values of our institution
- In collaboration with my fellow representatives, we successfully sponsored the installation of sustainable water fountains throughout the school and organized rallies that raised over \$10,000 for Make A Wish Foundation for three consecutive years

Washington Youth Tour, York Electric Cooperative

Washington, D.C.

Youth Representative

June 15-20, 2017

- As a representative, I assumed the responsibility of voicing the concerns of residents in my region of South Carolina in interviews with Senators Lindsey Graham and Tim Scott, as well as during discussions with leaders of national electric cooperatives
